THIS UNIT VS. A STANDARD MODEL 5

FEATURE	THIS UNIT	STANDARD MODEL 5
Exterior siding	Arborwood thermally modified, burned + brushed, black oil	Cedar cladding in natural, black or white; premium cladding is a paid option
Heater	HUUM Hive 12 kW	Smaller Wi-Fi heater (in-stock units ship with a 10.5 kW Harvia)
Controller	UKU Glass	Standard Wi-Fi controller
Window wall	68" × 81" rough opening	About 50" × 78½"
Door	White oak, black finish, 16" × 60" glass	Lockable glass door
Availability	Built, never unwrapped, ready to deliver	Custom builds take 4 to 6 months from deposit

Not a standard Model 5. Ordering this configuration new from Cedar & Stone means a custom build, typically 4 to 6 months (Cedar & Stone website, checked Nov 2026).

INCLUDED

HUUM Hive 12 kW heater with safety rail and reflector panels
